Stanhope Gardens 2768

Dear Leah,

As the Facilities Manager for Castle Hill RSL Group Of Companies, this includes Parramatta RSL Club and C2K Fitness Center; I would like to take this opportunity to express to you and your company our gratitude for the mould and bacteria treatment to our coolrooms and refrigerated areas.

Your employees are always very efficient, punctual and professional and supply all the necessary documentation such as Insurances, Work Method Statements to meet all requirements from Workcover and our underwriters and comply with all OH&S requirements.

Your service and treatment has assisted us with our accreditation and forms part of our Food Safety Program. We can see the benefits that your treatment has brought to our facilities' coolrooms, bars and kitchen areas and has created a healthier work environment for our personnel at our venues.

Yours sincerely

Allan De Paoli
Group Facilities Manager
Castle Hill RSL, Group of Companies.
