Dear Alex,

Goodchild Group has been dealing with Jaymak for some 18 months in relation to cleaning of refrigeration fans/units and cool room ceiling at our Abattoirs and boning room. I must say work being completed by Jaymak is of an extremely high standard and we have received excellent feedback from a number of our clients, Health Department and other various industry bodies.

We have achieved energy saving costs of around 14% due to our chillers operating more efficiently and chillers are holding temperature easier.

Jaymak process has most certainly assisted Goodchild group in obtaining, B.R.C certification/ A plus Aus-meat accreditation and S.Q.F 2000 CM Code accreditation at our Abattoirs.

Alex Thanks for your support and we look forward to a continued healthy relationship.

Regards

Kevin Goodchild
Chief Executive Officer
